

HOW DO WE EVEN KNOW THERE IS A GOD?
Romans: The Goodness and Power of the Gospel
Life Group Discussion Guide - Week 1

1. If your group is new, have each person briefly introduce themselves and share what they hope to gain from the group. If your group is re-gathering, share a joy or challenge you have experienced since you last met.
2. Read Rom 1:18-20 and Ps 19:1-3. What in nature speaks most powerfully to you?
3. Have you ever experienced doubts about God? What helped you resolve those doubts?
4. Do you know someone in your family or your work that is vocal about being an atheist/agnostic? Do you think it is really an intellectual block or something else?
5. Hand out the Roman's reading journal. Review together the SOAP method of Bible study. Do the first reading together and ask the questions as a group.

Do the other two week 1 readings on your own before next meeting and come prepared to share one of your applications.

6. Prayer: Take time to pray for one another. Also, last week Pastor Mark challenged us to begin praying for our ONE (the one person we are wanting to see God work in their life). Share who that is for you and include them in the prayer time.
