

LIFE GROUP DISCUSSION - WEEK 3
Ephesians: God's Plan for God's People
Ephesians 2:11-3:13

1. Opener: What do you know about your family heritage?

2. Read Ephesians 2:11-18

Why is vertical peace with God necessary before we can have horizontal peace with others?

We don't deal with the Jew-Gentile divide today, but what other kinds of division have you seen in the church? What impact did it have?

3. Read Ephesians 2:19-22

Share how one of the metaphors (fellow citizens, family members, and stones in a temple) gives you a new appreciation or understanding of the Church.

4. Read Ephesians 3:1-13

Verse 10 says God is demonstrating the wisdom of reconciliation in the Church. Where do you see Him doing that (either in the universal church or our local church)?

Where could we work to increase it?

What other observations or questions do you have about this passage?

5. How can we pray for one another?
